#### Warmest Greetings to you all!

What an interesting few weeks we have had.

I want to **thank you all for your incredible support**, kind emails, lovely phone calls and for just being so wonderfully onboard with staff here, as we navigate our way in this tricky time. As I have said to you before, just because we are being told that “... everyone will get this anyway”, we refuse to roll over and simply let that happen without doing all we can to stop as many people as possible from getting this.

**It has been so nice to see your children back today!** It is so good to see students well and to not see that steady flow of students coming to the office unwell. It is great! Our numbers have slowed right down, in terms of our school community.

The **Board of Trustees** have approved the **shade sails** over the School Interchallenge. This is going to make a huge difference. The sun is so hot these days and many of our students simply do not want to wear a hat.

Next week we are expecting the arrival of **4 new classrooms** which will be positioned on the school field alongside the two (R21 & 22) that are already there. This means that students in temporary rooms currently, can move into nice new rooms early in Term 2. Next term sees the start of our new big **14 classroom - 2 storey block**. This is going to be lovely!

Here’s to a great rest of the term and actually.....the rest of the year!  
Warmest wishes to you all.

Don’t forget to contact me anytime if the need arises. Call me at school or on my mobile 021 252 1383 anytime.
