Kia ora **Henderson Intermediate School Whānau**

The last two weeks have been pretty busy here.

**WINTERFEST** Many thanks to those of you who came along to school last week to enjoy seeing your children, our students, performing. This was a lovely evening. We have so many very talented students here. The hall was packed! There are some great pictures on our **School Website**.

**MEASLES** Thank you very much for sending back the pink forms about your child's immunity to **Measles**. Our Board is taking this very seriously. We want to ensure that while any student is in our care, they are safe. The Ministry of Health are saying that if you are not sure, have the vaccine anyway. It will not do your child any harm if they have had it already. School Camp is approaching in Week 10 and next term we have the National Kapa Haka Competition. For the safety of our students, *we cannot take students to either of these events, if they are not vaccinated*. This is the only way we can ensure that children who are not vaccinated, will not be exposed to the disease while they are out of our school and away from their families. With both of these events our children will come in contact with people who may be infectious and therefore any child not vaccinated would be at risk of getting the disease. The School has had calls from parents who are truly not sure if their children have or have not had this yet. Many in fact think that their child had this at school but the Measles vaccines are given as pre-school vaccinations.

**The vaccine is free from your doctor.**

**NATHAN WALLIS** Staff thoroughly enjoyed listening to **Nathan Wallis** last week. The messages that were most helpful for us were the ones around what we can do to help to increase resilience in our students. We are already a school that offers children the chance to have 2 years with the same homeroom teacher. We also already offer to all students a second language. Every week when we have assembly we have the most amazing school singing together. We almost lift the roof off the hall most Fridays! We make a point of ensuring that students take part in regular physical activity. So we are already doing all the things that research suggests we need to do to help students to be successful!

**NZAIMS** This week sees our star **Year 8A Netball Team** head off to NZAIMS. Last week they took out the West Auckland Competition in style.

**ART EXHIBITION** I am very excited about our **Extension Art Students** and their art work going on display in the **Studio One Art Gallery**, 1 Ponsonby Road. Our student work will be exhibited in the week of 17 – 22 September. If you are in the area at this time, do call in and enjoy seeing the work of our students on display.

You can contact me anytime if the need arises. Call me at school or on my mobile 021 252 1383. If you want to come in and see me at School, you do not need an appointment to do so. Just come!

*Noho ora mai ! Stay well.*

*Manuia le aso! Have a good day.*

**Warmest Wishes**

**FOR AND ON BEHALF OF STAFF AND BOARD**

**CHINA 2020**

Thank you to everyone who submitted an application for their child to be part of this exciting trip to China next year. Today was the last day to hand these in and, as you can imagine, we have had a huge response to this.

We will let successful candidates know the outcome in Term 4.
