“COVID 19 CLASSMATE”

Dear Parents

I am writing to you because I believe it is essential for us all to be informed about the spread of Covid 19. This will help us to **stay ahead of it!**

I have just received word that a student in your child’s class, **has tested positive for Covid 19.**

I urge you to keep an eye on your son/daughter and watch for any symptoms. If they show signs of being unwell, please get them tested.

If they test negative, they can return to school, as long as they do not still have symptoms. If they still have symptoms, keep them home and get them tested again, the next day.

If they **TEST POSITIVE** they must **isolate** at home for **7 days** along with the rest of your household. **Testing** needs to be done on **Day 3** and **Day 7.**

For further advice please contact: **Healthline on 0800 358 5453** or go to **Covid19.govt.nz/positive**

Kind regards

Mrs Wendy Esera
