I hope that this finds you all well, at your place!

Last week was a great time seeing students back face to face again with their teacher. If your child is still at home and you have decided now that you do want them back, you can do so at any time.

School Lunches continue. We welcome your feedback about this as we are currently giving weekly feedback to the providers. If you have anything that you want to tell us about how your son/daughter feels about the lunches at school, please email us.

The area where the big deck was under the huge oak trees, now looks very different. We have ordered 6 big picnic tables that will go in this area. Our school is your school.....so if in the weekend you feel like coming down to school to use the bike track or to sit in the shade under the trees, please do so.

As students will not get to have the end of year treats like the Year 8 Grad dance and the class outings, we will be having within school class parties instead. This will be fully funded by the Board. Your child's teacher will let you know when this is.

We said farewell to Robert Fry our Caretaker, on Friday 12th November. He has retired after working in the School for 23 years. Robert leaves behind a legacy. His service to the School was outstanding. He will be sadly missed by all. He has told us that he and his wife are looking at moving to Hamilton where they have family.

Like many schools, we have chosen to have **our final day** for the year on **Tuesday December 14th**. This will enable families to plan to get out of Auckland for Christmas holidays with the border opening on December 15th. School will finish that day, at the usual time.

Take care of your precious families.....

Noho ora mai

New Chess Set

Thank you to the School Council who made this their legacy project for 2021!

Thank you to Mr Fry for laying the Board before his retirement! It looks fantastic!

Please make sure your child is hydrated during the school day. Remember we are a **WATER ONLY** school. Do not drink soft drinks, energy drinks, juice etc at school. Please make sure your child is bringing a full bottle of water each day as our school fountains are currently closed.
