PARENT HELP POLICY

RATIONALE

School is a shared environment between community, caregivers, teachers and children. Parents/Caregivers are valued and participate in the education of their own child and others in the school community. Parents acknowledge the professional leadership and guidance of the staff on teaching and learning, discipline and management.

GUIDELINES

1. Parents/Caregivers must sign in at the School Office on arrival.
2. Parents/Caregivers when in class or school are expected to adhere to the confidentiality/privacy laws.
3. Parents/Caregivers may work with appropriate sized groups under the guidance of class teachers.
4. Parents/Caregivers will be expected to concur with all health and safety procedures as per School and Board decisions.
5. Parents/Caregivers will be utilised at teacher discretion.
6. Parent/Caregivers will be encouraged to come to the staffroom at morning tea.
7. It is not appropriate for pre-school children to be present when parents are helping out at School.
8. Appropriate police vetting is required when Parents/Caregivers are working with or accompanying children. The Principal has the discretion to decline anybody based on the results of the police vet.
