## From our Principal

Kia ora koutou,

Warmest Greetings to you all.

This is my final newsletter to you all.

The last few weeks have been very busy for us all!

Thank you for your wonderful support this year. Staff appreciate the great relationship that they have with you all throughout the year.

As we end the year we can be very excited about our **new building** that will open end of Term 1 and also the **Fale** that will be finished end of Term 1. The upgrade of the 4 classrooms by the back gate, will also be wonderful.

We welcome **Viv Carr to the Principal position**. Viv worked here several years ago and has been a Deputy Principal in 3 schools before becoming a Ministry of Education lead person in schools for training teachers in the Curriculum Refresh. She loves our School and our special students, and is thrilled to be coming back. A lot of her career has been with this age level, so she comes to us with great knowledge and understanding of what works best for Years 7 and

8. She knows many of our staff and so it will be an easy transition for staff.

We also welcome **Teejay Campbell** to Moko Team next year . He comes to us from Palmerston North Intermediate School. We welcome **Alanah Kraay** who comes to us from Blockhouse Bay Intermediate School. **Andy Valeni** joins us as a new graduate. **Trevor Pale** returns to us as a Part Time teacher in 2024.

We say goodbye to **Anna Delany** who moves to a new Art role at Kelston Intermediate School. I had the pleasure of having Anna on my staff in Wellington where I was previously. **Leisha Tuaoi** returns to a role in learning support next year. **Kate Hart** has been with us many years and she has now gained a full time Art teacher role at Blockhouse Bay Intermediate School. Kate has done a lot of lovely things here during her time with us. We also farewell **Tiare Kelleher** who has been a teacher with us since Term 2. We also have several Teacher Aides leaving - **Cheriece Ulberg, Krystle Farrington, Leilani Mila, Renae Thompson and Shobby Ram**. We wish all these staff very well in the future.

Our **Prizegiving** is this Thursday evening at 7.00pm.

The **final day for students**, is this **FRIDAY**. All students will be dismissed to go home no later than, 12 midday.

Have a wonderful Christmas for your family and whānau.

I wish you a very happy New Year too.

Thanks for an amazing 9 years at the best Intermediate in New Zealand!

**Warmest wishes to you all**

**Mrs Wendy Esera**

A Farewell Message from  
Miss Delany

2023 will be my final year at Henderson Intermediate and as I look back over the years I have spent as the Art Teacher here, I can't help but feel incredibly proud of all that we have produced and achieved. It has been a huge privilege to create art with hundreds of students each year - the creative talent in this school community is immense!

I am certain that in the future there will be big names in the Art world coming out of Henderson Intermediate!

I would also like to acknowledge the incredible work of our other Art and Design teacher Miss Hart and the whole Specialist Team, it has been an absolute dream working alongside you all!

Here is a little look back of some of the things we have produced over the years!

## Letters to Mrs Esera

*I am going to really miss Mrs Esera and her outstanding assemblies together with her memorable speeches and of course our class movie and teacher draws. I always looked forward to hearing her talk about her interesting passions and experiences during assemblies. She was truly a great leader for Henderson intermediate and will be missed as a head for our school.*

**- Alahelu, Room 10**

*We have all seen Mrs Esera at some point so I am sure you can agree that we will all miss her. She brings the assemblies to life with her excitement and energy as well as her care for all of us students. Even through simple things like implementing a movie day or getting us nice warm lunches.*

*She always has a contagious smile on her face that lights up the room. Mrs Esera has been incredible at her job from the day she began and it is sad to see her go. She is leaving behind a legacy of many successful students and she will be missed by the students at H.I.S and the staff. We wouldn't be where we are today without her.*

**- Charlotte, Room 25**
